Tariff of Mortgage Charges

Vida Homeloans is closely involved in the mortgage industry's initiative with UK Finance and Which? to make our fees and charges easy for you to understand. Our tariff of mortgage charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages. When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

Please note, these fees may be subject to change in the future and you will be advised of any such changes as and when they occur.

Before your first monthly payment

The following fees and charges are what you may have to pay prior to the completion of your mortgage:

Name of Charge	What this charge is for	How much is the charge?
Assessment Fee	Assessing and processing your application (even if your application is unsuccessful or you withdraw it).	£195 (non-refundable). Refer to your Mortgage ESIS (European Standardised Information Sheet) for further details.
Funds Transfer Fee	Electronically transferring the mortgage funds to you or your solicitor on the same day.	£35
Legal Fee	You will normally instruct a solicitor to act on your behalf in connection with your home purchase transaction. You may be required to pay their legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor directly to you, unless we tell you that we will contribute to the legal costs as part of your product deal.	These fees/costs vary depending on the property you are purchasing/ remortgaging. You should ask the solicitor/conveyancer for a quote. The fees/costs are payable to the solicitor/conveyancer directly by you.
Product Fee	This is charged on some mortgages as part of the deal. It can be paid on completion via your solicitors or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	Varies by product. Please see your Mortgage ESIS (European Standardised Information Sheet) and/or Mortgage Offer
Re-valuation (We also call this re-inspection)	Charged if another valuation is necessary after our full valuation. For example where the initial valuation is out of date or further works to the property are required.	£120
Lender's Legal Fees	We will instruct a solicitor or other conveyancer to act on our behalf to ensure that the property will be satisfactory security for the mortgage and that we will have a charge over it. We will normally instruct the same solicitor/conveyancer who is acting for you, providing that they are on our conveyancing panel. If you wish to instruct a conveyancer that does not feature on our panel, then you will need to apply for them to be added, subject to them possessing the appropriate Vida Homeloans requirements.	These fees/costs vary depending on the property you are purchasing/remortgaging. You should ask the solicitor/conveyancer for a quote. The fees/costs are payable to the solicitor/conveyancer directly by you.
